## **Summer Camp**

*A social skills day camp  
for children with special needs*

***Junior Counselor Program for Teens and Young Adults Ages 14-21***

Session 1: June 24<sup>th</sup>-28<sup>th</sup>

Session 2: August 5<sup>th</sup>-August 30<sup>th</sup>

Welcome to Camp Discovery, a camp program dedicated to serving children with special needs! Camp Discovery is conveniently located at 1256 Marlkrass Road in Cherry Hill, NJ. The overall goal of Camp Discovery is to teach and implement age appropriate social skills. This will be completed through a complete curriculum which has been created by a Board Certified Behavior Analyst. Each activity and lesson that the children are taught will be in an ABA format and conducted by highly trained ABA behavior technicians.

**The final summer camp registration deadlines are June 10<sup>th</sup> for session 1 and July 22<sup>nd</sup> for session 2.** In order to guarantee a spot in the program, we will need to receive your registration form and payment by these dates. If you are unable to pay in full and would like to work out a payment plan please indicate this on your registration packet. Packets can be emailed back to: Brian Colmary at [bcolmary@firstchildrenservices.com](mailto:bcolmary@firstchildrenservices.com).

Packets can also be mailed to: Brian Colmary  
First Children Services

## Camp Discovery Medication Policy and Guidelines

First Children Services, in keeping with N.J. State regulations, has established the following policies and procedures regarding the administration of medication during the camp day. Medications shall include all over the counter (non-prescription) medications as well as medications available only by prescription. All medications will be kept in a locked cabinet. Any medication requiring refrigeration will be kept in a separate locked box in the refrigerator. No medications are to be kept or administered by campers.

Each medication must be properly labeled. **Pharmacy labels are required for all prescriptions.** You can request your pharmacist to place each prescription medication into two (2) labeled containers: one for the health director and one for home use. Over the counter medication must be sent in the original container with the camper's name written on it. Medications are to be turned into the camp director or health director along with the Medication Permission Authorization forms. **The forms must be completed and must include signatures by both parent/guardian and physician as well as a physician's stamp.** Medications will not be administered without a completed form.

**For campers sending Epinephrine Auto Injector to camp:** If needed, the health director will administer the epinephrine auto injector and call 911. If, for any reason the health director is not present to administer the epinephrine auto injector, a trained delegate may administer it. If, for any reason, the delegate is unable to administer the epinephrine auto injector, 911 will be called to support the child. Antihistamines cannot be given by the delegate. If the health director is not available, the delegate will administer epinephrine auto injector only and call 911.

All medications along with completed Medication Permission Authorization forms must be handed to our health director prior to the camp start date. Please make sure you have the medication permission form completed and signed by your physician. Medication will only be dispensed to the camper for whom it has been prescribed. All staff members will be informed of any medication needs of campers they will be responsible for. Any adverse reactions to medications will be reported to the parents and guardians and prescribing physician. **Medications and forms are to be handed in together. Any unused medication will be returned to the parent or guardian on the last day of camp. If we are unable to return any medication, it will be destroyed.**
